Union Street, Ponca City, OK at (1500 hours) 3:00 PM Central Time, June 2<sup>nd</sup>, 2023. Bids will be opened by David W. Huff and recorded by Tina Chamberlain, Administrative Assistant. Bids may be examined by the public after the Bid opening upon request to Plant Manager. At the public Bid opening, the Bidders' names, location, and Bid prices shall be read aloud by the Plant Manager.
2. **Preliminary Review.** The Bids shall be initially reviewed for completeness and correctness. Any deficiency may be grounds for disqualifying the Bid. OMPA's review may include, but is not limited to, verifying that:
  - a. each of the Addenda is acknowledged in the Bid; and
  - b. each required document is included, properly signed, and if applicable, notarized.
3. **OMPA Rejection of Incomplete Bids.**
  - a. OMPA may reject any bid that OMPA considers to be incomplete. This may include, but is not limited to, Bids in which the Bidder submits another form of Contract in lieu of the attached Contract. Exceptions taken to the Contract terms and/or Bidding Documents may be cause for rejection of a Bid.
  - b. OMPA will reject any Bid that is not signed by the authorized representative of the Bidder, and/or does not contain the required documents, properly signed, and if necessary notarized, as required by the Bidding Documents.
  - c. Bids will become the property of OMPA upon submission.

## **BID EVALUATION**

1. **Bid Evaluation by OMPA.** After the preliminary review, the Bids will be reviewed and evaluated by the appropriate OMPA management and staff. The following items shall be reviewed:
  - a. **Bond Compliance.** If a surety company is used to issue bonds, the company must be authorized and registered to do business in Oklahoma and listed in Federal Circular 570. When a bid bond is required and the bond submitted is from a company not registered in Oklahoma, or if the company is not listed in Federal Circular 570, the Bid shall be disqualified.

- b. **Unit Price Compliance.** If the RFP requires Bidder to submit unit prices, Bidder's failure to submit unit prices for any requested work item may cause the Bid to be disqualified.
  - c. **Materially Unbalanced Prices.** OMPA may reject a Bid as nonresponsive if OMPA determines that the Bid prices are materially unbalanced between line items and subline items. A Bid may be materially unbalanced if it is based on prices significantly less than the cost for some work and prices which are significantly overstated in relation to the cost for other work, and OMPA has reasonable doubt that the Bid will result in the lowest overall cost to OMPA.
2. **Technical and Commercial Qualifications.** Bids will be evaluated based on technical and commercial criteria applicable to the scope of work specified. The evaluation criteria will include, but not be limited to, the Bid's
- a. Conformance to technical specifications;
  - b. Evaluated price;
  - c. Demonstration of project experience; and
  - d. Conformance to commercial terms.
3. **Bidder's Performance Capability.** OMPA may consider the Bidder's demonstrated ability to perform the required work.
4. **Disqualification of the Bidder.** Any of the following may be grounds for disqualifying the Bidder:
- a. More than one (1) Bid for the same work from an individual, firm, partnership, joint venture, or corporation under the same or different names.
  - b. Evidence of collusion among Bidders, subcontractors, or material suppliers.
  - c. Lack of responsibility as shown by past work for OMPA judged from the standpoint of workmanship and progress.
  - d. Uncompleted work under any Contract with OMPA or any other entity.
  - e. Being in arrears on existing Contracts with the state of Oklahoma or OMPA, having defaulted or failed to comply with a previous State or OMPA Contract, or any other just and reasonable cause.
  - f. Certificate by the Oklahoma Human Rights Commission that the Bidder has engaged or is engaging in a discriminatory practice.
  - g. Any violation of OMPA or state of Oklahoma rules, or other information indicating that the Bidder is no longer responsible nor qualified to do business with the State.
5. **Bid Comparisons.** In comparing Bids, OMPA may consider not only the Bid prices, but also other factors that impact whether a Bidder is the lowest responsible bidder, including, but not limited to, efficiency, reliability, durability, economy of operation and maintenance, accessibility for repairs, cost of

special construction made necessary by the equipment offered, experience, safety and performance record of the Bidder, relative risk associated with the Bidder, and any guarantees associated with the Work.

## CONTRACT AWARD

1. **Anticipated Contract Award.** OMPA anticipates that, if a Contract is awarded pursuant to this RFP, the award will be made on or after June 8<sup>th</sup>, 2023.
2. **Contract Award, Bonding, Insurance, and Execution.**
  - a. **Contract Award.** The Contract, if any, shall be awarded to the lowest responsible Bidder as determined by the review of the Bids. Within five (5) business days after approval by the OMPA Board of Directors, the successful Bidder will be notified by OMPA of its selection and will be provided copies of the Contract to execute. The OMPA Board of Directors may grant a reasonable extension of the awarding period, by formal recorded action for good cause shown. The successful Bidder must execute the Contract and obtain any required bonds or letter of credit, and insurance, within sixty (60) days of notification by OMPA. No Bidder shall obtain any property right in a Contract awarded under these provisions until the Contract has been fully executed by both the Bidder and OMPA.
  - b. **Contract Bonding.** The prevailing Bidder must provide security equal to 100% of contract value in the form of a bond or bonds, or an irrevocable letter or letters of credit, with terms approved by OMPA, to secure performance, payment, and warranty, as described in the Contract. The security provided shall be in a form and with terms approved by OMPA and issued by an institution acceptable to OMPA.
  - c. **Contract Insurance.** The prevailing Bidder must provide proof of insurance with terms approved by OMPA, as described in the Contract.
  - d. **Failure to Execute Contract.** If the prevailing Bidder fails to execute the Contract within sixty (60) days and/or provide the required security and insurance to OMPA, the Bidder will be deemed to have abandoned the Contract, and the cost of republication of the Notice to Bidders, actual expenses incurred by reason of the Bidder's default, and the difference between the low Bid of the defaulting Bidder and the amount of the Bid of the Bidder to whom the Contract is subsequently awarded, but not to exceed the amount of the certified check, cashier's check, bid bond, or irrevocable letter of credit may, at the discretion of OMPA, be forfeited to OMPA.
  - e. **Return of Bid Security upon Contract Execution.** The Bid Security posted by the prevailing Bidder and the next two lowest responsible Bidders will be returned to those Bidders upon the prevailing Bidder's execution and delivery of the Contract and required bonds or irrevocable letters of credit, and insurance.

## OTHER PROVISIONS

1. **Bid Ambiguities and Discrepancies.** If the total price of the Bid is inconsistent with the unit price times number of units to be delivered, the unit price shall govern. If there is a variance between the amount in words and the figures, the amount in words shall govern.

2. **Bid Protests.** Bidder protests must be submitted in writing to OMPA within ten (10) days of OMPA's award of a contract or purchase order. Any Bidder who does not timely protest waives all claims arising from or related to the contract or purchase order, and the RFP process.
3. **Tax Exempt Status.** OMPA is exempt from the payment of any sales taxes, pursuant to 68 O.S. § 1356, and Article 10, Section 6 of the Oklahoma Constitution.
4. **Applicable Laws.** By submitting a Bid, the Bidder acknowledges that all applicable state laws, municipal ordinances, and the rules and regulations of all authorities having jurisdiction over construction of the project (in force and effect now, and as amended) shall apply to the Contract throughout, and they will be deemed to be included in the Contract. The laws of the state of Oklahoma shall apply to any dispute arising from or related to this Bid. The District Court of Oklahoma County, Oklahoma shall have exclusive jurisdiction to adjudicate any such disputes.
5. **Drug Free Workplace.** OMPA seeks to provide a drug free workplace for all of its employees. All contractors working on an OMPA facility shall comply with OMPA's drug free workplace policies.
6. **OMPA Reservation of Rights.** OMPA reserves the right to reject any or all Bids, to waive any and all informalities, to evaluate Bids, and to disregard all nonconforming, nonresponsive, and/or conditional Bids.
